Prostate Awareness at Spire Yale Hospital

If you are worried about your prostate, the solution for you maybe a men's health check at Spire Yale Hospital. Men can be notoriously reluctant to take an active role in the care of their body. The good news is that men can take steps to positively influence their situation by having a complete package of tests done all in one go.

Why do we provide Prostate awareness and men's health check?

The simple fact is that prostate and bladder problems, erectile dysfunction and testosterone deficiency are seriously affecting many men and taking a significant toll on their quality of life. The good news is that you can take steps to positively influence your situation. At Spire Yale Hospital we will support you at every stage of your journey.

The team

Mr Iqbal Shergill, Consultant Urological Surgeon, specialising in prostate disorders and men's health will be able to help you. We offer a fully supported package at Spire Yale Hospital delivered by an extremely dedicated multi disciplinary team in a very supportive environment. Our team includes our experienced surgeons and highly trained nurses and an excellent customer services department.

Affordable packages

At Spire Yale Hospital we can provide you with a totally inclusive complete care package. You will be quoted a guaranteed fixed price for a men's check, confirmed in advance of the appointment with Mr Shergill, ensuring you have complete peace of mind.
